

COMAROTO

ILLASI, VERONA

Visits and Tastings

*In the heart of Valpolicella, among the gentle hills of Illasi,
we invite you to enjoy an authentic experience.*

A journey through stories, aromas, and flavours that tell of our land and reveal the origins of Comaroto wines, born from our family's deep passion. You will be able to explore the estate's vineyards and our evocative winery of over 3,000 square metres, carved into the rock: a path that is pure emotion.

*We will be pleased to host you among
the vineyards and the natural beauty
surrounding the medieval castle of Illasi.*

The tasting is available by reservation and subject to confirmation by the winery. At the end of the experience, it will be possible to purchase our products directly at the company's shop.
